### Shipping and availability of stock

We strive to maintain a stock to immediately fulfill orders under 200 copies. For larger orders (200+ units), 3 weeks is our standard turnaround time. We are usually able to fulfill rush orders, but often must apply a substantial rush fee to cover increased production costs.

Pickup (***please pre-arrange with us***) is welcome at our printing studio or storefront, both located in Seattle's Pioneer Square. Call 206.624.4442 or email [info@chatwinbooks.com](mailto:info@chatwinbooks.com)

### Terms

- This pricing applies to **Tribal and educational entities**, subject to approval.
- Protective packaging included for the 6-poster set and for the 6-postcard set
- **Shipping** is due, based on order size (by weight), except for in-store pick-ups
- **Washington state sales tax** is additionally due and payable, unless a valid Washington State resale certificate is supplied, by mail or email. If you are claiming an exemption from sales tax based on shipment to a Tribal entity or address, please supply the appropriate documentation, by mail or email to: [info@chatwinbooks.com](mailto:info@chatwinbooks.com)
- **No minimum order quantities**; small orders are welcome, as are large orders
- Chatwin Books reserves the right to **adjust pricing** at any time, due to ongoing fluctuations in production and materials costs.

### Notes

- As a policy, we operate on low margins and give the maximum discounts possible while covering costs, in the spirit of making these materials as widely available as possible.
- We design, print, and bind all our titles in Seattle. We are committed to keeping our dollars local, and supporting a healthy ecosystem of business in our region, while minimizing the carbon footprint of production and shipping. We regularly pass up opportunities to cut production costs by moving our printing overseas, opting instead to lift up our neighbors in Seattle and keep our local economy strong.

We appreciate the opportunity to support access to Indigenous education resources!

Yours,  
Annie Brulé & Phil Bevis, co-founders

Chatwin Books Publishing of Seattle
